

KENDRIYA VIDYALAYA KISHTWAR

Session (2020-21)

Holiday Homework (winter vacations)

Subject : Mathematics

Class : VI

Subject teacher : Seema Shan

- **Homework should be neat and clean**
- **Make separate notebook for homework**
- **Question should also be written on notebook.**

1. Make five multiple type questions from each chapter (1 to 11)

2. From Decimal

Exercise 8.1 write Q 7,Q8 Q10

Exercise 8.2 write Q 7

Exercise 8.4 write Q1, Q2, Q4

Exercise 8.5 write Q4, Q7

Exercise 8.6 write Q6, Q7

3. Do any one question from each exercise of data handling.

4. From mensuration

Exercise 10.1 write Q1 Q2, Q6, Q12, Q15

Exercise 10.3 write one part from Q1, Q2.

Write Q5, Q8, Q12

5. Chapter algebra

❖ Write definitions of variables, algebraic expression and equation.

❖ Write rule to find number of matchstick s required to make patterns

T, W, H, E, V, U, Y, K, L, F

- ❖ **Write Perimeter of rhombus with side 'p'**
- ❖ **Exercise 11.3 write Q 4,Q5**
- 6. Exercise 11.4 write Q.1**
- 7. Make project one any one topic algebra, mensuration, fractions, integers and understanding elementary shapes.**

KENDRIYA VIDYALAYA KISHTWAR

Session (2020-21)

Holiday homework (winter vacation)

Subject :Maths

Class :7

Subject teacher : Seema shan

Instructions

- **Homework should be neat and clean**
- **Question should also be written**
- **Make separate notebook for homework**

Q1. Write all the definitions from chapter 1,2,3,4,5,6 and 9

Q2. Solve all the examples of chapter 9,10,11,12,13

Q3. Solve all the exercises from chapter 10 and 12

Q4. Write ten multiple type questions (10 each) from chapter 9,10,11,12and 13

**Q5. Write five multiple type question s(5 each)
from chapter 1,2,3,4,5,6,7,8**

Q5. Chapter 11

Exercise 11.1 write Q1, Q3, Q4, Q6, Q8

Exercise 11.2 write Q1, Q2, Q3, Q5, Q8

Exercise 11.3write Q3, Q4, Q6, Q7, Q10, Q17

Exercise 11.4 writeQ1, Q3, Q6, Q8.

Q6. Make project on any one topic

**Integers, fractions, lines and angles, triangles and
it's properties, Congruence of triangles, algebraic
expressions, or exponents and power**

KENDRIYA VIDYALAYA KISHTWAR

CLASS 6TH

SCIENCE

HOLIDAYS HOMEWORK

SESSION (2020-21)

1. Write 15 multiple choice questions from each chapter (chapter 9 to chapter 16)
2. Write five short answer type questions from each chapter (chapter 9 to chapter 13).
3. Labelled diagrams on
 - (a) Water cycle
 - (b) Complete and incomplete circuits
 - (c) Rainwater harvesting
4. Write project reports on the following topics
 - (a) Management of garbage
 - (b) Story of transport
 - (c) How are clouds formed?
5. Write the exercises of chapter 9 to chapter 12.

(NOTE: pdf already shared with you students related to question 1 and 2. You can take help of that pdf already shared in Google classroom).

KENDRIYA VIDYALAYA KISHTWAR

CLASS 7th

SCIENCE

HOLIDAYS HOMEWORK

SESSION (2020-21)

1. Write 20 multiple choice questions from each chapter (chapter 10 to chapter 16)
2. Write project reports on the following topics.
 - (a) Vegetative propagation
 - (b) Transportation in animals
 - (c) Water pollution and its prevention
3. Labelled diagrams of
 - (a) Human heart
 - (b) Respiratory system
 - (c) Inhalation and exhalation (Mechanism of breathing)
 - (d) Excretory system in human beings
4. Write down the exercises of chapter 10 to chapter 16.
5. Make an assignment on the interrelationship of plant, soil and decomposers in a forest.

Kendriya Vidyalaya Kishtwar

CLAS^{8th}

SCIENCE

HOLIDAYS HOMEWORK

SESSION (2020-21)

1. Write 20 multiple choice questions from each chapter
(chapter 9 to chapter 17 excluding chapter 11.)
2. Write long answers type questions from chapter 9 to chapter 17 (4 long answer type questions from each chapter)
3. Labelled diagrams on
 - (a) Position of endocrine glands in human body
 - (b) Structure of earth
 - (c) laws of reflection, regular and diffused reflection
 - (d) Solar system and phases of moon.
4. Write project reports on the following topics
 - (a) different types of constellations
 - (b) global warming its causes and consequences
 - (c) Natural disasters
5. Write exercises of chapter 9 to chapter 15.
