Sub:- Drinking water report

Ref:- (i) Your office letter No:- F-82/KV/DHP/2021-22 dated 17.05.2021

Sir,

In reference to your letter dated 17.05.2021, regarding above cited subject matter. In this context it is intimated that the drinking water is being supplied to all the residents who have been allotted quarters at various location of this Power Station through water Purification Plants.

Besides this it is also intimated that the same drinking water is also being supplied to KV School, the water so supplied is fit for drinking purpose.

This is for your kind information please.

Yours Faithfully
